## **MARINE SAFETY INFORMATION BULLETIN 08-21**

### **SET MARITIME PORT CONDITION NORMAL**

#### **Attention Maritime Partners:**

The Captain of the Port (COTP) has returned the Maritime Port Condition to Normal as of 0900 today, with no restrictions on port/waterway activities.

The National Weather Service does not forecast any continued significant effects to the Sector Long Island Sound COTP Zone.

Mariners are requested to immediately report any hazards to navigation, discrepant aids to navigation, pollution, or any other hazardous conditions. Please make report to the Sector Long Island Sound Command Center via VHF Channel 16 or by calling (203) 468-4444.

All vessels and facilities are reminded to closely monitor the weather for any remnants of HENRI. The Atlantic hurricane season is not yet over; please continue to remain vigilant.
